Parish Hall, 2 Marchwood Crescent
Ealing, London W5 2DZ

Closing date to book your place

Monday 9th October

Register via the [Eventbrite link](#)
or scan the QR code

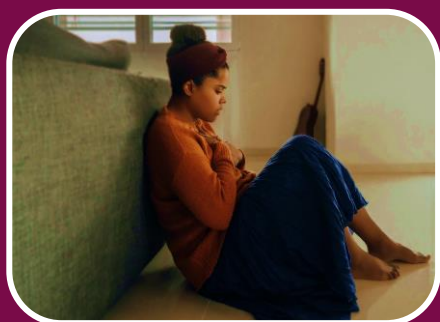

As the previous Workshop was so well attended,
Workshop 2 will be an in-person event only as
hybrid events of this size do not work very well

Aims of workshop 2:

- To feedback the themes from the last session
- To collaborate with local partners, stakeholders and those with lived experience on a call to action for a local suicide prevention plan
- To ensure the voice of those with lived experience is heard and reflected in the suicide prevention action plan
- To provide an awareness raising session on self-harm and spotting the signs

This workshop is aimed at statutory services, voluntary sector groups, faith groups, emergency response and transport staff as well as those with lived experience.
